The remainder is to be paid a minimum of 30 days prior to the event. If the remainder has not been received by such time, they will consider the performance cancelled. If they are contacted before the payment is due and told that it will be late, a \$30.00 per day late fee will be added to the balance due.

The duo is paid for the time required for them to be at the event, whether they are playing or not. Each hour the duo is contracted to play consists of fifty minutes of music and ten minutes of break.

Performing outdoors must first be discussed with the manager ( Mr. Lee). The duo will not play in direct sunlight or expose their instruments to any type of precipitation. Under all circumstances, they will not perform below 60 degrees Fahrenheit.

A level playing area of approximately 10' x 8' is required, as well as adequate lighting by the person hiring the ensemble. Please discuss any questions with the manager well in advance of the performance.

Due to emergency or illness of an original member of the duo, professional substitutes are acceptable for an engagement.

If the duo is requested to extend the playing time at the performance, they will not do so unless payment is made in full at the event for the additional time.

If the performance is cancelled less than 30 days before the performance, the duo must be paid in full. If the performance is cancelled more than 30 days beforehand, the deposit is non-refundable. However, if the duo is unable to attend because of unforeseeable circumstances, the total will be refunded and the duo cannot be held liable.

Thank you for using The Chris Lee / Colleen O'Brien Duo. We are proud to maintain our 100% satisfaction and reliability record. Please return one copy of this contract with the deposit, and make checks payable to Chris Lee.
